The date of appointment of Mr. K. Govinda Menon as the Conservator of Forests.

29. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to state the date on which the present Conservator of Forests was appointed to that post and the pay at the time of the appointment?

Mr. A. K. Vengu Ayyar.—Mr. K. Govinda Menon was appointed as acting Conservator of Forests on 26th Dhanu 1087 and confirmed on 26th Meenam 1087. The pay of the post at the time was Rs. 550—850.

The Inspection notes of the Chittur Munsiff's Court.

30. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to place on the table the remarks of the inspection Judge on the Chittur Munsiff's Court during the last two years along with the Chief Court Judge's remarks thereon?

Mr. A. K. Vengu Ayyar.—The files concerned are placed on the Legislative Council Secretary's table.

The Admission of boys into the St. Mary's Girls' School, Kuzhikkattusseri.

31. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to state:—

(a) when sanction was given to admit boys in the Girls' School (St. Mary's) at Kuzhikkattusseri;

(b) the number of boys and the number of girls in each class;

(c) was there any objection petition from the managers of the neighbouring schools of Mala and Vyntala to the grant of such permission; if so, will a copy of the petition be placed on the table?

Rao Sahib Mr. C. Matthai.—(a) Article 361 C. E. C. allows the admission of boys in the Primary Departments of Girls' Schools. Though no sanction was given for the admission of boys in the Lower Secondary Department, a few were admitted by the Manager in 1101 in anticipation of approval and these have been allowed to continue till the end of this educational year only.

(b) Three boys and 17 girls in Form II and 8 boys and 12 girls in Form I.

(c) No objection petition was received.

Mr. T. A. Ramachandra Ayyar.—From the answer it is seen that though no sanction was given for the admission of

boys in the Lower Secondary Department a few were admitted by the Manager in 1101 in the Girls' School. Was any action taken for this ?

President.—It might have been in anticipation of approval and approval was subsequently given, and if that approval has been given subsequently, the whole thing goes away. Some things are done in anticipation of approval. There may be some special circumstance justifying that course, and if afterwards approval is granted, there is no blot in regard to it. So, in this case it has been approved, and there is no room for complaint.

Mr. T. A. Ramachandra Ayyar.—Article 36 allows the admission of girls in the Primary Department. So it is clear that boys are not allowed to be admitted in Girls' Schools. Then, how can they anticipate sanction against this clear provision ?

President.—You refer to Article 36. Have you read the whole rule ? And does it say that boys should never be admitted in the Lower Secondary Department ?

Rao Sahib Mr. C. Matthai.—So far as Primary Department is concerned, no sanction is necessary.

Mr. T. A. Ramachandra Ayyar—In Form I 8 boys and 12 girls or 20 in all. Which kind of grant is given to that class ? Is it calculated on the boys or on the girls ?

Rao Sahib Mr. C. Matthai.—There is no difference in the kind of grants.

President.—Does the grant turn up on the question whether the students are males or females ?

Rao Sahib Mr. C. Matthai.—There is a difference in the minimum of the strength. The minimum for boys is different from that of girls.

President.—So far as the question of grant is concerned, boys are taken as boys and girls as girls.

Mr. T. A. Ramachandra Ayyar.—There is a rule, Sir, that 30 is the minimum strength for the boys and 20 for the girls. I want to know whether in the giving of grant to this class it is calculated as a boys' class or a girl's class.

Rao Sahib Mr. C. Matthai.—As 30 and 20 are the minimum for boys and girls respectively, 3 boys would be equal to 2 girls.

President.—So, it is so done for the purpose of calculation for giving grant.

List of applicants for assignment of poramboke or waste lands.
